ABSTRACT

Statistical data on Georgia public libraries are provided in tables covering regional and large county library systems, audiovisual materials, audiovisual expenditures, analysis of federal funds received, and Title II construction. Data on the services of the state agency are given for technical services, reader services, large group loans, state catalog service, and the state film collection. Library Services and Construction Act Title I programs are included. There are also directories of counties and branches comprising regional library systems. Georgia public libraries are listed both by library name and by location. (LS)

INTRODUCTION

The Georgia Department of Education requires the Division of Public Library Services to report annually on the services provided by public libraries and to account for the financial support from local, state and federal sources.

This report deals with pertinent services and finances administered by library systems and organizations. Detailed reports of the services and costs are on file with the Division.

Also included is a brief summary of services and activities at the state level which augment the library systems, the administration of library development, extension services and federal programs.
